

## Sales and Services Outsourcing

Is the economic downturn forcing you to downsize or cut your team in the UK or European market ?

**How we can help?** Jana provides enterprise sales and professional service resource and can function as local resource both for your existing accounts and also for any new opportunities that arise.

**Jana** Technology Services provide outsourced sales, consultancy and marketing services for Technology companies in the UK.

We have particular expertise in helping companies outside of the UK and Europe to penetrate the region.

Email: [info@jana.uk.com](mailto:info@jana.uk.com)

**Skillsets** - Our sales and service teams are the cream of the crop – we have specialised technical skills in JEE, ESB, .Net, Java, C++, Cloud Computing, Business Rules, Grid, HPC, Caching, Windows, Mac, Solaris and more. We have pre sales and professional service skillsets as well as an outsourced team in the Ukraine for code delivery.

**Network:** Our sales team have excellent contacts into the Finance, Telco, Retail and Manufacturing verticals as well as working with Sun, IBM, HP and Microsoft.

**Results:** Our results speak for themselves. For example In two years we sold \$5 million worth of software for one of the vendors we represent
